Finding God In the Present Moment

Play without Ceasing is an interactive retreat that engages our imagination, hearts and bodies to become more aware of God's presence in our lives.

Monica Romig Green will guide us into experiences with God and others that are fun and profound, delightful and impacting, joyful and unforgettable. The time is balanced with fun group learning exercises, followed by quiet, guided personal prayer time. Group sharing gives participants important take-aways that will enhance their lives and relationships.

God is all around us. This retreat is for introverts and extroverts! Attendees only need to engage with willing hearts, ready for an adventure with God and each other.

Come and be refreshed. All are welcome to participate in this weekend. Bring a friend, or come alone, there will be time for rest, recreation, crafts and fellowship on Saturday afternoon.
